HAIR STYLING

The Hair Lounge provides a unique personalized styling service using L.Oreal professional, KEVIN MURPHY and Olaplex.

OUR CUTTING & STYLING PRICELIST

theloungeashbourne.co.uk

Skincare for your hair,

Born from the same philosophy as skincare,
KEVIN.MURPHY products are weightlessly designed
to deliver performance, strength and longevity.

We believe in being at the head of both trends and technology. You'll find our products backstage at the biggest fashion week shows and in the hands of the top stylists, to raise the profile of the hairdressing industry. Everyone's hair is different and our extensive range of hair care, styling and colour products will help meet your individual needs.

Hair Extensions

Hair Extensions

Hair extensions are suitable for clients of all ages and all styles, long or short. Designed for all hair types, Showpony hair extensions can help to fill in gaps, add thickness, and create chemical-free colour and highlights without the damage.

With leading education programs, the world's first universal colour coding system and the first sustainably packaged hair extension brand globally, choosing Showpony means choosing a brand dedicated to innovation and change.

Have unstoppable confidence with the hair you've always wanted.

MICRO BEADS

Introducing the smallest Micro Bead Hair Extensions available. Made from the finest quality double drawn hair, luxuriously thick through to the ends. The Showpony Mini Micro Bead Hair Extensions range features a durable silicone tip and are reusable, providing longevity for your clients.
